

TRI-PRES JUNIOR CAMP - PASTOR'S REFERENCE FORM

Dear Pastor:

As a Pastor, we ask that you would take some time and actually review the application with the applicant. We want our counselors to know that they are not just there for fun and games - they are there to represent God, their church, Tri-Pres Camp, and their personal testimonies. By taking this time prior to camp, it helps to ensure the quality of the camp program as well as the counselor's own personal experience. After completing the pastor's reference please forward to:
