

THIS FORM MUST BE COMPLETED TO PARTICIPATE IN CHALLENGE ACTIVITIES

Skycroft's challenge program integrates a variety of activities that may include warm-ups, games, group initiatives, low challenge elements, and climbing wall which may be physically rigorous for the participants. The level of participation is up to each individual. Skycroft staff will make every effort to ensure their safety and well being. Yet there are inherent emotional and physical risks involved with the challenge activities that must be assumed by each participant.

Certain health/medical information must be made known to the facilitator(s) conducting your challenge experience, so that they can appropriately respond if need be. This information will be held in confidence. Each individual that will participate in any part of our challenge activities must fully complete this form prior to participation. This form should be returned to your group leader who is to bring all the forms to Skycroft staff. Failure to do so will forfeit your participation in these activities.
